

Champion Household 2000+ Juicer (G5-NG-853-S)

Type: Masticating
 Large feeding chamber (1¾"). Makes sauces, baby foods, nut butters, sorbets, and functions as a homogenizer. All parts 100% FDA nylon; stainless steel shaft. 1/3 hp, 1,725 rpm, 540 watts. Warranty: 10 yr motor, 1 yr cutter. Includes recipe book. Colors: Black, White, Silver and Almond.

Champion Commercial 2000+ Juicer (G5-PG710)

Same as Household model except motor has added winding capacity that increases starting torque and allows motor to run cooler. This allows for longer run times and the ability to exert more pressure on items being fed into the feeding chamber without stopping. Variable 110/220 volt 50/60 hertz can be converted for overseas use (power cord and plug change required). Colors: Black, White, Silver and Almond.

Acme 6001 Stainless Steel Juicer

Type: Centrifugal
 Inner basket spins 60 times per second, forcing the pure juice through thousands of tiny side openings, while the pulp adheres to the side for easy disposal. Stainless bowl, lid, blade and strainer basket. ¼ hp, brushless, induction-type motor, 3,600 rpm. 10 yr limited warranty.

Acme 5001 White Juicer

Type: Centrifugal
 Same as 6001 except for all stainless parts are replaced by white plastic. 5 yr limited warranty.

Back to Basics Nutri Source 1000

Type: Centrifugal
 Stainless steel blade design and efficient low-speed induction motor helps the Nutri Source yield more juice with its whisper-quiet motor. ¼ hp, 3,600 rpm and 350 watts. 5 yr warranty.

L'Equip 215 XL Juicer

Type: Centrifugal, Pulp Ejector
 Compact design, just 15" high. Patented automatic pulp ejection eliminates clogging, large feeding chamber (3"). Stainless steel bowl, blade and basket. Juice apples without slicing. 900 watts, 11,000 rpm. 10 yr warranty.

Weil Professional Juice Extractor 9816

Type: Centrifugal, Pulp Ejector
 Stainless steel grating system for maximum extraction, automatic pulp ejection. Extra-wide feed tube (3") reduces most pre-cutting. Juice cup holds 40 oz. (5 cups) and fits perfectly under spout. Powerful, quiet 1000 watt motor. 1 yr warranty.
